

Rheumatism Cured At Home

Every sufferer from rheumatism wants to be cured and to stay cured. The prospect of the return of the same old rheumatism every year is not attractive to anybody. Most treatments aim simply to "keep down" the rheumatic poisons in the blood. The treatment with Dr. Williams' Pink Pills for Pale People has proved by hundreds of cures that it builds up the blood to a point that enables it to cast out these poisons through the regular channels of excretion, the bowels, kidneys and the skin. When this is done the rheumatism is permanently cured and as long as the blood is kept pure and rich the patient will be immune from attacks of rheumatism.

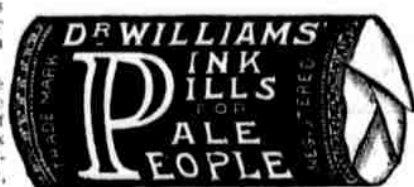

Mrs. D. H. Conner, of Campbell, Cal., says: "For several years I was bothered with rheumatism and could find no relief. The pains were in my ankles, limbs, neck, and shoulders. My ankles and limbs would become swollen and oftentimes my shoulders were so lame that I could not raise my arms up to my head. When I stood on my feet there were terrible sharp pains through them."

"I finally began taking Dr. Williams' Pink Pills for Pale People, which I read of in a paper. They gave me quick relief and cured me. I still use the pills as a tonic, whenever my work at the postoffice causes me to become run down or feel all tired out, and they give relief every time. I also consider the pills unequalled for the nerves as they cured my daughter of St. Vitus' dance from which she had suffered for six years."

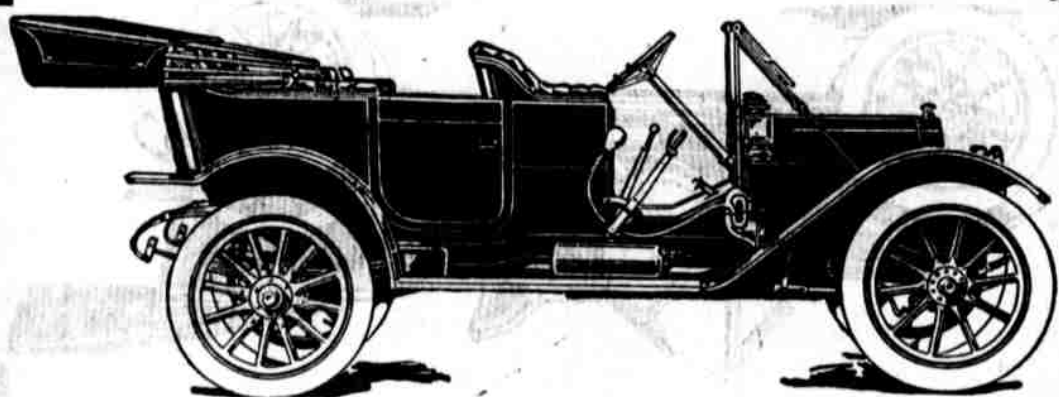

Dr. Williams' Pink Pills for Pale People are invaluable in diseases of the blood and nerves. They have cured anaemia, after-effects of the grip and fevers, general debility and sick headaches, dizziness, nervous prostration and have accomplished wonderful results even in chronic cases.

A valuable booklet, "Diseases of the Blood," containing fuller information, will be sent upon request.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes, \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

SATURDAY MATINEE AT BIJOU THEATER

The Saturday afternoon performances at the Bijou have proved so popular that hereafter they will be a regular feature at that house. The best acts of all the houses of the Honolulu Amusement Company are selected for this performance.

Tomorrow will positively be the last Saturday matinee at which the lions will perform. They were scheduled for a performance last Saturday, but due to a misunderstanding on the part of the captain of one of the inter-island boats they were left at Lahaina, thus disappointing a large audience. Foley and Earl will be there with a brand new set of steps, the Younger Brothers will have a complete change of act in their feats of strength, and Jones, of the Jones and O'Brien team, will give one of his inimitable monologues; Pastor and Merle, the eccentric athletic comedians, King and Lovell and the Anker sisters will repeat their successes of last Saturday.

INDEPENDENT AND ASAHI THEATERS

Tonight at the Independent Theater there will be exhibited four films of particularly attractive features. The Independent has won a reputation for its clean, clear, entertaining and instructive photo plays.

At the opening of the Asahi Theater, on Maunakea street, on Monday next will be seen the much-talked-of Russell, experts in magic, dance and comedy, together with numerous other specially imported examples of the best talent.

Tickets for the Independent, on Hotel street, and for the Asahi are good for votes for the splendid \$2100 auto in the big contest now on.

Be sure to attend the Asahi's opening. It will be an occasion worth remembering in the local theatrical world.

GAS COMPANY TO EXPAND WITH THE CITY

(Continued from Page 1)
er or holder, one of the largest west of the Mississippi, is to be built. It will hold 200,000 feet. The size may be estimated when it is said that the present holder contains only 60,000 feet. In addition to this there will be a new gas engine and a new compressor and other necessary machinery is to be installed.

In order to arrange for the purchase of this large amount of equipment, Manager Harry L. Strange of the company will leave for the coast within a few days. He will buy all the machinery and in addition the new main for Kaimuki.

Big Expense for Piping.
President W. R. Castle of the company, discussing the proposed improvements this morning, said:

"Up to the present the earnings of the company have been put back into the plant and the service, and profits not distributed. The company also suffered a heavy loss when the black pipe originally put down by the California contractors proved useless in this country, wearing out rapidly, and had to be replaced by other piping. The salt in the soil ruined the pipes that served admirably in interior California."

"With the fact that the company has laid up no profits, the plans for extensions to keep pace with the growth of the city necessitate the new stock issue. Our plans are perfectly public and the company at all times endeavors to serve the public well."

PAAUHAU STILL IN MUCH DEMAND

Feature of Sluggish Market Is Demand From Coast Investors.

A vigorous demand for Pauhaui for the last two days has sent the price up to \$24.625, and several sales were made at this figure, 275 shares changing hands according to the Honolulu exchange lists.

News from San Francisco is that the stock is going higher there, and most of the demand for it locally is understood to be on outside orders. It was suggested today that improved business conditions generally, coupled with the news that Pauhaui is due for a good season, has made the demand.

Five hundred shares of Honoia were sold at 11.75, and a steady buying of Oha resulted in this stock going up also, now being 4.75.

Two noteworthy transactions in bonds on the Honolulu exchange were a sale of \$5000 O. R. & L. 6s at 100.50 and \$5000 Rapid Transit 6s at 103.50.

Two hundred thousand dollars of the California First Sugar & Refining Co. 6s are called in as of June, 1911.

Three dividends were declared today—Hawaiian Commercial 25c, Onomea 25c, and Honoumuli \$1.

On the board the day was dull, with little trading. The drop in sugar, if it continues, will affect the stocks, but the brokers expect sugar to go back above 3.80 any time.
